Scholarships

In order to further the study of insurance and encourage, support and reward exceptional students with an interest in an insurance career, a number of scholarships have been established by the Derek Hughes/NAPSLO Educational Foundation.

Many of the scholarships were established to recognize contributions made by industry leaders, such as Rolland L. Wieggers, Herbert W. Kaufman, Scott W. Polley, Richard E. Hull, Russell Bond, Gary E. Frohn, Michael J. Snead and Kevin A. McLaughlin.

The Foundation annually awards approximately 14 scholarships of \$5,000. One scholarship is reserved each year for a student nominated by the National Association of Professional Surplus Lines Offices (NAPSLO).

Applications may be downloaded from the Scholarships section of the Foundation's page on the NAPSLO website at www.napslo.org/foundation.

To be eligible for this scholarship, students must:

- Be enrolled, or accepted for enrollment, in an undergraduate degree program majoring in Risk Management & Insurance or have completed coursework to insurance, or possess work experience in the insurance industry.
- Have and maintain a GPA of 3.25 or above.
- Be enrolled in at least 12 credit hours each semester.

- Complete and submit the online scholarship application form, including a 500-word statement regarding your interest in the scholarship. Incomplete applications will not be considered.
- Have two letters of recommendation submitted. We recommend one come from an academic advisor, counselor or teacher/professor and the second from an employer or insurance professional.
- Include an electronic copy of your academic transcript with the scholarship application to greta@napslo.org.
- Financial need and student's area of study relating to a career in insurance will be one factor in considering candidates.

Previous recipients of this scholarship are eligible to receive it in subsequent years, but must reapply each year. **Applications must be received by the NAPSLO office by June 1.**

Scholarship winners will be notified by mail and scholarship funds awarded will be forwarded to the student's school for distribution.
